Each course will be assigned an Implementation Team (I-Team) composed of experts in pedagogy, GSI, preparation for teaching, educational technology, library resources, and information literacy. The I-Teams include one member each from: the GSI Teaching and Resource Center, Educational Technology Services, and The Library. The I-Teams will consult with or make referrals to other campus experts as needed (e.g., Assessment; Office of Educational Development, Student Learning Center, The Library). Each I-Team will collaborate with the Fellow to develop an Implementation Plan for the course.
